Magic

Eco-Man's show is a dynamic blend of laughter, astonishment, magic and eco-awareness. Eco Man combines traditional magic acts with innovative tricks that highlight the magic of recycling, demonstrating how everyday items can be transformed into something extraordinary with a little care and imagination.

Reduce - Reuse - Recycle

From turning old newspapers into new, to conjuring colourful T-Shirts from recycled bottles, Eco-Man's performances showcase the endless possibilities that lie within our everyday recyclables. Each trick is not just a spectacle, but a gentle reminder that our choices matter and that recycling can be an exciting and rewarding endeavour.
